

I was telling my thirteen year old about quantum computing the other day and why it probably has as much to do with the "Mandella Effect" as the particle accelerator/collider stuff over at CERN. She caught that mind expanding impartation that came along with the effect and is kinda a computer nerd anyway. So I explained to her how it works as best I could.

For years now discoveries in quantum mechanics have been rocking the scientific world. One thing after another making them question virtually everything they knew about physics, matter, REALITY itself.

One of the very first things they could actually demonstrate was the duality of light. That light is both a wave and a particle AT THE SAME TIME.

Experiments based on this discovery get even stranger when they try to record the wave form of light in the FUTURE it collapses into particles IN THE PAST.

According to physicist Andrew Truscott, lead researcher from a study published by the Australian National University: "The delayed choice experiment...shows how time can go backwards, how cause and effect can be reversed, and how the future caused the past.

"quantum effects mimic not only instantaneous action-at-a-distance, but also, as seen here, influence of future actions on past events, even after these events have been irrevocably recorded." – (Asher Peres, pioneer in quantum information theory) If you don't remember that you can check out this helpful video..<https://www.youtube.com/watch?v=DfPeprQ7oG>

These strange happenings, which defy all laws of physics, could at first only be measured and demonstrated at a quantum level, that is microscopically.

However sometime around 2000 scientists created and were able to harness these phenomena at MACROscopic level with the creation of a "squid".

It was basically a ring of niobium (a rare earth metal), that, when kept near absolute zero could conduct electricity BOTH Clockwise AND Counterclockwise at the same

time, Something which was thought to be impossible because of superposition. It was dubbed "schrodinger's cat"

Because of this achievement, another group of physicists realized that this "squid" could represent both 1 AND 0 at the same >>TIME<<.

So they built a processor based on this "squid" and called it a Quibit. The main consequences of being able to harness this SUPERPOSITION was an open demonstration of 2 dimensions overlapping, since that is the only way for something to be two different things at the same time. By overlapping our dimension with another dimension (which is outside of time) they removed the limitations of linear computer.

In traditional digital computing calculations are linear and trapped in one time. You have 1's and 0's and they only can be solved or calculated in one direction: FORWARD.

But in quantum computing where a "quibit" can be both 1 AND 0 you can solve IN EVERY DIRECTION SIMULTANEOUSLY OUTSIDE OF TIME.

They say it is like magic. No matter how complex a problem they put in this, it instantly pops out an answer as if out of nowhere.

Just one of these quantum computers are 100 Million times more powerful than all other computers on earth combined.

With this technology they can achieve 10,000 years of computations at our current worldwide capacity in mere seconds. Wow.

YES TEN THOUSAND YEARS! And they are upgrading all the time! (doubling the amount of quibits every 3 MONTHS now! Which compounds the computing capacity beyond exponentially) Imagine what you could do with that! What kind of problems you could solve!

When I first read about this two years ago it was for the first COMMERCIAL sales of the computers!

Even then everyone and their mom had one. NASA, Google, Lockheed Martin, CIA, just to name a few. They are actually on their third generation of the commercial version now in 2016.

The potential is AMAZING. But don't you think it is strange that we have not heard about ANY specific breakthroughs attributed to these magical machines in all these years, even though they are cranking out MILLIONS of years worth of calculations by now?!

Here is the weird thing though: People are saying that things have been changing around us. Things that we thought were impossible to change, like the past.

The Berenstein Bears is a good example that most people clearly remember. It used to be spelled with an E but now it is spelled with an A: BerenSTAIN. These are not just "new" books but the same exact ones you used to read when you were little that have been changed.

BRAGGS changing to "BRAGG" is a real shocker for me too. But nothing was as shocking to me as the changes I saw in the Bible. That's actually the only way I was absolutely sure I was not mis-remembering these things. In fact one I saw these changes I was unable to escape.

If there is one thing I KNOW it is the King James Version of the Bible and there are parts of it that were changed INSTANTLY in every copy that has EVER existed. These are not "new" Bibles that are being changed but the oldest of the old.

I thought it was impossible too. But why would the Bible say in Revelation not to change the words of the Prophecy of this book UNLESS GOD KNEW IT WAS POSSIBLE TO DO IT!?

Again it is not just "new" bibles, it is EVERY Bible in the world no matter how old has been changed from the way it used to be..

See if any of these ring a bell to you:

In the Beginning God created the _____ and the earth.

What goes in the blank? Is it “heavens” or “heaven”?

Neither do men put new wine into old _____ else the _____ break, and the wine runneth out, and the _____ perish: but they put new wine into new _____ and both are preserved.

Did this used to say “wineskin” or “bottles”

And now abideth faith, hope, _____, these three; but the greatest of these *is* _____.

Did this used to say “Love” or “Charity”?

If you KNOW the King James Version of the Bible you KNOW the answers should be HEAVEN*S*, WINESKIN and LOVE but go look at it in the OLDEST KING JAMES YOU CAN FIND RIGHT NOW AND IT SAYS HEAVEN BOTTLES AND CHARITY!!!!

This is easily the weirdest thing I HAVE EVER heard and I never would have believed it was possible unless I saw my favorite translation change almost before my very eyes.

I am not sure about everything people are saying, and I know for sure that some of the changes in the Bible people have noticed are not actually changes but I have to say the fruit of SEEING ACTUAL changes for yourself is AMAZING!

IT'S LIKE PROOF THIS WORLD IS PLAY-DOUGH AND THE POSSIBILITIES ARE ENDLESS. This dimension is a literal matrix that can be changed.

And it does not stop with changes in books, corporate logos, movies, etc! It gets waaay crazier. People are reporting truly massive structures appearing out of thin air.

Someday soon you may wake up to your own neighborhood being physically different! Your house altered substantially. You could go to sleep in a shack and wake up in a mansion!

If you listen to the creators of this technology they plainly say that their goal is to “hack” reality. (this is really where we start to see the matrix)

Right now we spend an enormous amount of time and energy trying to make this world the way we want it.. we dig stuff out of the ground and manufacture it into all these goods and pollute everything in the process. But what if you could skip all that, get to the software of it all.. and “program” a building into existence? This stuff is no longer science fiction. LOOK these people say very matter of factly they are able to extract ACTUAL resources from other dimensions and that the true capabilities of this technology make every other advancement in EVERY other field seem totally unimportant by comparison. And I think they are right!!

If there is ONE thing I KNEW could never ever change, it was the Bible. However the Bible is a book. It contains God’s message in Words insofar is it is translated correctly and the CONTEXT is understood. But it is obvious THAT BOOK HAS BEEN CHANGED FROM THE PAST!

I spoke with a linguist who knew the Word of God by heart he confirmed what I had noticed, and said it had something to do with bringing in another root language sometime in the past... (i didn’t exactly follow everything he said, but apparently English words with a French root were added to the repitua in the past and were used in translation of the King James Bible. In most cases they simply chose a different word to translate into English.. Wineskin became Bottles but the greek word is still “ASKOS”.

Somewhere in the translating they chose “bottles” over “wineskins”..but EVERYONE who is familiar with this translation knows it always used to say “wineskin”. And actually that word “wineskin” no longer appears ANYWHERE in the KJ Bible now, but it still says “wineskin” in the New King James!?

Imagine a quantum enhanced “psyop”. How hard is it to hack the human mind?

How many people KNOW the Bible used to say the "Lion shall lie down with the Lamb"? This is NOWHERE to be found, in ANY TRANSLATION, even though it is one of the most easily recognizable and iconic verses of the Scripture depicting the Millennium. (There are however many residuals)

Here is another one:

"Judge not _____ ye be judged" "Lest" is not in any bible in the world now.

The changes are reflected everywhere, except in "residual" ways. There are still paintings of lions laying down with lambs. People still have tatoos that say "Judge not LEST ye be judged". There are still countless videos of people reading the Bible saying "Judge not LEST ye be judged", and if you ever memorized these verses you will REMEMBER it says "LEST".. But that is the only place it exists now. EVERY actual Bible, no matter how old has been changed!

Judge not LEST ye be judged.

What it says now: Judge not, that ye be not judged. Matt 7:1

Yeah I know it does not really change the meaning (I don't think) but that is not the issue!

THE ISSUE IS WHAT DID IT USED TO SAY? And I am not the only one saying these things.. Not crazy people either, but straight laced 60 year old preachers who have studied King James ONLY for 30+ years are pointing out these changes.

How about this one:

That thou shalt set apart unto the LORD all that openeth the MATRIX, and every firstling that

cometh of a beast which thou hast; the males *shall* be the LORD'S. Exodus 13:12

This used to Say "Womb" It now says "MATRIX" in 5 different places in the King James Version.

EVERY OTHER translation still says "womb" including the New King James but the King James says MATRIX!?

"Be ye therefore perfect, even as your Father in heaven is perfect." ←--What it used to say
"Be ye therefore perfect, even as your Father which is in heaven is perfect." <--What it says now.
(this seems to be a manuscript difference from what I can tell. One of the few)

"And when he had apprehended him, he put him in prison, and delivered him to four QUATERNIONS of soldiers to keep him; intending after EASTER to bring him forth to the people."
Acts 12:4

This ALWAYS said PASSOVER.. IN EVERY PLACE..And it still says that in the Greek..

"Easter" was NEVER in the King James Version of the Bible and last time I checked it is not in ANY other translation either. And ONLY the King James has been changed? Also "Quaternions" never seen that word before.

Listen the King James Bible it is VERY accurate to the original manuscripts, that is one of the reasons it is so popular

Take a look at Psalm 14:1 To the chief Musician, A *Psalm* of David. The fool hath said in his heart, *There is* no God. They are corrupt, they have done abominable works, *there is* none that doeth good" Do you see every place there is italics? They added that word to make it read more smoothly. This verse should actually say "the Fool hath said, No God..(like no to God) Or else it would contradict verses in the NT that say there is no such thing as an atheist. These translators were humble enough to SHOW the changes they made just in case they missed it and sometimes you can read a verse with italics like that and notice they missed it just a little bit,

But here you have "Easter" as if it has ALWAYS been there IN EVERY KING JAMES BIBLE IN THE WORLD...and ONLY in the KING JAMES and not in the NIV OR NLT?! Ask a preacher about this!!

"But he that heareth, and doeth not, is like a man that without a foundation built an house upon the

earth; against which the stream did beat vehemently, and immediately it fell; and the ruin of that house was great." Luke 6:49

How many people remember this saying "SAND"? I sure do. It always said SAND. Matt 7:26 still says "sand".. Yes I am sure they BOTH used to say "sand" in the King James, but now it says "EARTH"?

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

This used to say SHALL NOT PERISH!

Thy kingdom come. Thy will be done in earth, as *it is* in heaven. Matthew 6:10

This used to say ON EARTH.. <> EARTH :D READ IT, HEARD IT, STUDIED IT, SAID IT THOUSANDS OF TIMES. **ON** EARTH AS IT IS IN HEAVEN but now it says "IN earth as it is in heaven" Ask a preacher who has been in the game for a LONG time and they will tell you the same thing without ANY hesitation.

Wherefore then gavest not thou my money into the BANK, that at my coming I might have required mine own with usury? Luke 19:23 (I don't think this used to say bank, the problem is after months of looking at this your mind tries to normalize what is obviously in every copy of the book.. pay close attention to the INITIAL SHOCK when you SEE something)

"Shew me a penny. Whose image and superscription hath it? They answered and said, Caesar's." (Lk20,24; KJV) —NEVER said PENNY Always said Denarius in the King James in this passage.

The greek text underlying the KJV still says "denarion/δηνάριον" (G1220) - (btw It did always say penny in Rev 6:6).

Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord; Acts 3:19

This verse has been one of the worst changes I have seen, totally changes the meaning of the verse, it now makes repentance and experiencing heaven seem like some future thing that will just happen when IN REALITY it is something that is CONTINGENT on YOU CHOOSING GOD!!

Repent ye therefore, and be converted, that your sins may be blotted out, THAT the times of refreshing may come from the presence of the Lord (The presence of the Lord IS Heaven) You

repent SO THAT times of refreshing may come.

**Now this is interesting, when you look at this in greek.

<http://classic.net.bible.org/verse.php?book=Act&chapter=3&verse=19>

The word translated “when” is not even one of the definitions of “hopos” every other version translates that as “that” or “so that” EVEN THE NEW KING JAMES... But the King James now says “when”. It has been changed!

This next one was the very first change I saw that woke me up instantly and I felt my mind come out of time. There was no turning back for me.

“And no one puts new wine into old wineskins. Otherwise, the skins burst, the wine spills out, and the skins are ruined. But they put new wine into new wineskins, and both are preserved.”

But now it says BOTTLES!

“Neither do men put new wine into old bottles: else the bottles break, and the wine runneth out, and the bottles perish: but they put new wine into new bottles, and both are preserved. Matt 9:17”

This verse does not even make sense anymore. Why would THE BOTTLES BREAK? They would not! Because ONLY WINESKINS WILL BREAK WITH NEW WINE! Putting new wine into bottles is actually how you age it. And this change is ONLY IN THE KING JAMES. IN FACT THE WORD WINESKIN IS NO LONGER ANYWHERE IN THE KING JAMES BIBLE and EVERY OTHER TRANSLATION STILL SAYS WINESKINS! ASK A PREACHER ABOUT THAT!

This next one tho popped me out of the Matrix for real. There are some things that are just so ridiculous if you saw them in the Bible you would IMMEDIATELY KNOW it was wrong.. Like if you opened it one day and it said “Boso the Clown Died for your sins.” You would know..Well this is that verse for me. Heard it, read it, studied it, memorized it, repeated it, acted it out. It is one of my favorite verses. Here is the Version that is Forever settled in Heaven, the One we used to have in the King James Bible:

And the LORD God said unto the serpent, Because thou hast done this, thou *art* cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will put enmity Between you and the woman, And between your seed and her seed; HE shall CRUSH your head, And you shall bruise his heel."

This was the first Messianic Prophecy in the Old Testament.. the First direct message about how God would Fix the fall of man. He said the SEED of the Woman would CRUSH the Serpent's head. It is the singular word SEED because it refers to ONE in particular: Jesus. He said the Seed of the woman would CRUSH the devil's head, and the devil would bruise his heel.

This is a perfect prophecy of what what was to come: Jesus would Crush Satan on the Cross and at the same time was bruised for our transgressions. And it is Exactly what happened, His PERFECT VICTORY is the CORNERSTONE of any real expression of heaven. But now this verse does not say anything like that.. Here is what it says now:

And I will put enmity between thee and the woman, and between thy seed and her seed; **it** shall bruise thy head, and thou shalt bruise his heel.

Instead of **Jesus Crushing** the head of the Serpent he is only **BRUISING** it, AND instead of HE it says "IT" So IT shall BRUISE his head" And it gets even weirder, in every other translation it now says the devil will "strike at his heel"

"And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, **AND YOU WILL STRIKE AT HIS HEEL"**

An interesting note, the only translation that keeps this verse intact in its entirety is a version called "GOD'S WORD TRANSLATION" which is a translation I am not familiar with but I am going to check out for sure.

When I look at this in the Greek it is just puzzling, I cannot remember the actual greek only the English.. But it seems to be that the manuscripts are intact.

Moreover the Gospel message IS INTACT. God spoke to me at the outset of me realizing these changes and told me very clearly that "THEY WILL NOT BE ABLE TO TAKE THE CHILDREN'S BREAD"

The children's bread is God's Word, that rhema word he gives us every day.. I don't know if that means some versions of the Bible will remain more or less intact or if that means he will speak to us in other ways.. but here is what I do know. The people who are most annoyed and scared by the Quantum Effect are immature Christians who worship the Bible.. For these people their "salvation" exists only in their mind based on what they think they understand from the book. They are not transformed, and Jesus says to them: you search the Scriptures because in them you think you have eternal life, but these are they which testify of me, and you will not come to me that you might have life.

This is the condemnation: Light has come into the world, but men loved darkness rather than light because their deeds were evil. Coming to Jesus is simply confessing with your mouth that

Jesus is God and then determining to forsake evil ways and do good by HIS DIRECTION AND POWER.

I am just tickled that the King James Bible is being altered! I hope it will be changed more for this very reason: IT IS NOT ABOUT READING A BOOK! It is about LIVING A TRANSFORMED LIFE!!

So many of my brothers and sisters have locked up their gifts and calling within a theological context that is so ingrained in them that almost NOTHING short of radically altering every Bible in the world could ever wake them up..

(Here is an interesting side note: I have noticed that when a fundamentalist Christian (who is not crazy at all) is shown undeniable changes to their precious book FROM THE PAST they instantly SNAP into "end times" mode. Hahaha like every time.. this could definitely be used to "trigger" a large segment of Christians at the right time)

And here is another interesting thing for Christians to consider. We already know the plans to implement the new world religion include new archeological discoveries and seemingly miraculous confirmations. What if in addition to that they change all bibles along the same lines? It's just too tempting.. and that is another reason why I think it is important to warn people this is possible because someday all Bibles could be altered in ways that take a soul straight to hell.

And these changes are only the beginning, Just wait! From what I understand many of these *minor* changes are happening as a byproduct of MICROSCOPIC intrusions into this world's time space via these quantum processors which exist in multiple dimensions.

But there is something different going on at CERN. CERN is using Quantum computer to optimize their process of particle colliding to open HUGE STABLE DOORWAYS into other dimensions. Where you can really start extracting LARGE resources and changing BIG things.

When I saw flat earth I felt like I woke up in a petri dish. It was freakishly GLORIOUS. Everything seemed totally new as I realized THIS REALLY IS THE SUPERNATURAL REALM.

Then when I saw changes to history I was absolutely sure of, I realized that our petri dish was inside of a LITERAL MATRIX and that Matrix has been HACKED by these sentient AI computers and if they can do it WE CAN DO IT TO.

I actually felt myself come out of my mind.. (at least the part bound by time) and I started witnessing some super weird stuff...

For instance: I saw an email message whose timestamp was in the future! It said it was delivered "IN 12 minutes" And I sat there and watched it countdown from 12 to 0. When it got to zero my inbox lit up and it went to unread!

After a few experiences like that you start to see that we are in fact not subject to time for one and for two: if we do not wakeup to who we are in Christ (And more importantly who HE IS IN US) we are absolutely TOAST.

The technology they are perfecting right now will become a totally insurmountable obstacle to the freedom of EVERYONE unless we learn how bring to bear the powers of an even HIGHER dimension upon it. Which dimensions are available to us HUMANS ALONE by the Blood of that Spotless Lamb. And if we get it, if we get HIM all of this technology will have to serve us. And we will be able to use ALL of it to accomplish HIS PURPOSE, which has always been HEAVEN ON EARTH. How's that for crazy? 🤯

HERE are more changes, I have seen many more, but I am only including ones I am absolutely sure of.

1 Kings 10:22 The word "NAVY" is now in the Old Testament. KJ!

1 Peter 2:24 Who his own self bare our sins in his own body on the tree, that we, being dead to sin, should live unto righteousness: by whose stripes ye were healed. (sin changed to sin*s*)

Before Finally, *be ye* all of one mind, having compassion one of another, love as brethren, be tender-hearted and humble:

[After] Finally, *be ye* all of one mind, having compassion one of another, love as brethren, *be* pitiful, *be* courteous:

1 Peter 4:8

And above all things have fervent Love among yourselves: for Love shall cover a multitude of sins.[After] And above all things have fervent charity among yourselves: for charity shall cover THE multitude of sins.

2 John 1:7

For many deceivers have gone out into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.

[After]For many deceivers **are entered** into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.

2 Peter 2:6 (Spelling change)

And turning the cities of Sodom and Gomorrah into ashes condemned them with an overthrow, making them an example unto those that after should live ungodly;
[AFTER]And turning the cities of Sodom and **Gomorrha** into ashes condemned *them* with an overthrow, making *them* an ensample unto those that after should live ungodly;

Acts 1:20

For it is written in the book of Psalms, Let his habitation be desolate, and let no man dwell therein: and his office let another take.

For it is written in the book of Psalms, Let his habitation be desolate, and let no man dwell therein: and his **bishoprick** let another take. i've never seen this word in my life lol)

For David is not ascended into the heavens: but he saith himself, The Lord said unto my Lord, Sit thou at my right hand, until I make thy enemies a footstool.

For David is not ascended into the heavens: but he saith himself, The LORD said unto my Lord, Sit thou **on** my right hand, Until I make thy **foes** thy footstool. Acts 2:34

Philip answered him, Philip answered him, Two hundred PENNYWORTH of bread is not sufficient for them, that every one of them may take a little.

After these things Jesus walked in Galilee: for he would not walk in JEWRY, because the Jews sought to kill him.

So when they continued asking him, he lifted up himself, and said unto them, He that is without sin among you, let him cast the first stone.

Now: So when they continued asking him, he lifted up himself, and said unto them, He that is without sin among you, let him first cast a stone at her.

And ye shall know the truth, and the truth shall MAKE you free. Always said "SET YOU FREE"

Verily, verily, I say unto you, Except a CORN of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.

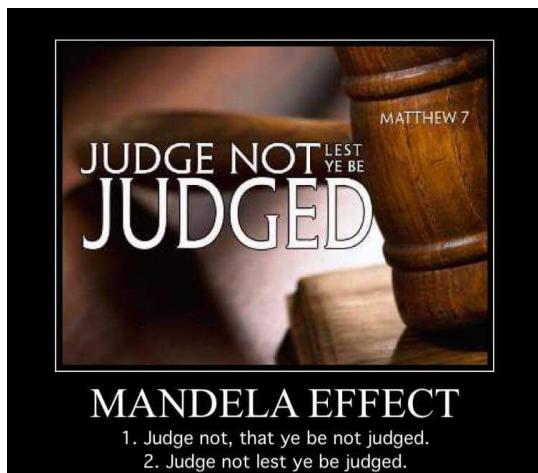

"Jubilee" is NOWHERE IN THE KING JAMES BIBLE. It now says "Jubile"

The parable of the *talents* now is the parable of the POUNDS!

Then came the first, saying, Lord, thy POUND hath gained ten POUNDS. And the wicked servant put his "pound" into a NAPKIN, and the Master asks him why he didn't put it in the

BANK!!

Then came the first, saying, Lord, thy pound hath gained ten pounds. And he said unto him, Well, thou good servant: because thou hast been faithful in a very little, have thou authority over ten cities. And the second came, saying, Lord, thy pound hath gained five pounds. And he said likewise to him, Be thou also over five cities. And another came, saying, Lord, behold, *here is* thy pound, which I have kept laid up in a NAPKIN: For I feared thee, because thou art an austere man: thou takest up that thou layedst not down, and reapest that thou didst not sow.....Wherefore then gavest not thou my money into the bank, that at my coming I might have required mine own with usury?

I picked up a lady the other day on an uber call and we had to drive right past the grassy knoll on the way to the airport. She starts telling me how much she LOVED JFK, had just got done reading one of his books for the umpteenth time, and had studied every facet of his assassination for YEARS. SO I ASKED her, "How many people were in the car when he was shot?" Without any hesitation she said "4 people". So I asked, you would be surprised to find out that there were actually six people in the car? She just laughed like I was being silly, then I explained what was going on with the quantum effect and she jumped on her phone and looked up pictures.. she was stunned.. she said "I have NEVER seen that car before" She didnt say much for the rest of the ride.. but was sure to thank me for ruining her life on that way out!! Hahaha God Bless her.

MANDELA EFFECT

How many people were in the car JFK was assassinated in?

Dezi Arnez's infamous line from I Love Lucy

Was NEVER said, not even Once!
The MANDELA EFFECT is Real!
His name isn't even Arnez in "this" Reality
